Product Description

Meet Your Countertop Water Solution

This compact reverse osmosis system delivers pure, fresh water without the hassle. No plumbing or installation—simply plug it in and start enjoying 5-stage filtered water (removes 99.99% of contaminants!) straight from the tap. Its space-saving design fits anywhere, while the removable water tank and glass carafe make it easy to serve and store. Best of all? No storage tank means zero stale water—just instant, fresh water on demand. Features smart filter alerts, eco-friendly operation, and a sleek look that blends with any kitchen. Perfect for homes, offices, or small spaces.

Product Specification

Model	AR201I-75G
Filtration Capacity	12L/h
