Product Description

Pure Water Anytime, Anywhere

With this small - sized countertop RO system, you can have fresh, filtered water in an instant. There's no need for plumbing or installation; just fill the removable tank, plug it in, and you're good to go. It uses 5 - stage filtration to get rid of 99.99% of contaminants. You can enjoy hot or cold water right away, without having to rely on a storage tank. The system comes with a chic glass carafe for serving and a smart filter indicator to remind you when it's time for a replacement. It's energy - efficient, saves water, and fits perfectly in apartments, offices, or small kitchens.
